Will someone I love be able
to love me back ?
How much poss b lity would I
have ?

I could not be loved back
from the one I really loved
No matter how much I tr ed

Probably because of the shock

Your l fe has become pleasureless
and evas ve

Well that s what a smart ass told
me n a far future

Look at you.
Your hairstyle used to be as important as your life.
At least you washed your hair, it looks like.
You couldn't use skincare lotion?
Your skin looks rough, and I see some pimples on your skin
Your always wet lips are dried now
Where did you throw your strawberry lipstick to?

JS
Confess now
What happened

Don't you dare
to tell me that you

I cannot see you

Don't be a fool
Hey you
The fuck ng guy

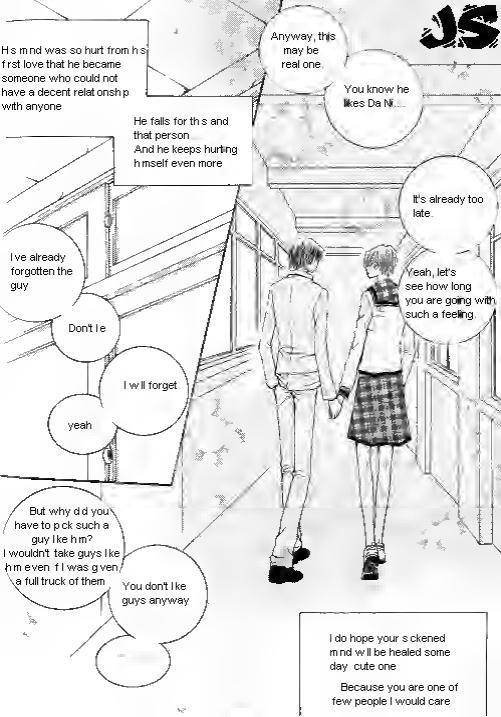
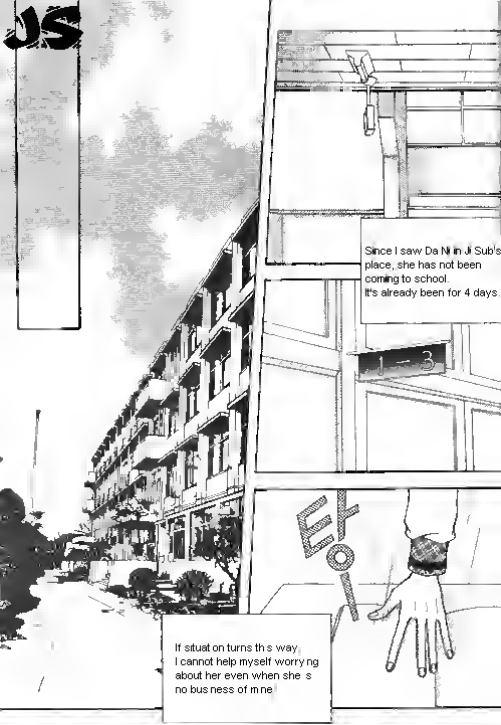
I know he was your f rst
love and you were
hurt deeply
but
Even so you
shouldn't
fall for every guy
you meet
JS



His mind was so hurt from his first love that he became someone who could not have a decent relationship with anyone
He falls for this and that person
And he keeps hurting himself even more
Anyway, this may be real one.
You know he likes Da Ni...
It's already too late.
Veah, let's see how long you are going with such a feeling.
I've already forgotten the guy
Don't lie
I will forget
yeah
But why did you have to pick such a guy like him?
I wouldn't take guys like him even if I was given a full truck of them
You don't like guys anyway
I do hope your sickened mind will be healed some day cute one
Because you are one of few people I would care



Since I saw Da Ni in Ji Sub's place, she has not been coming to school.
It's already been for 4 days.

Our bus ness ?
Are you say ng Da N s troubles and her not com ng to school are all related to you?

I cannot tell you anything
I don't know who you are. And you are not related at all in this matter. And I don't have to keep reporting Da Ni's status. You don't have the right.
I don't have the right?! I do have right to know and I have damned good reasons!!

JS
If you tell me about Da N I w ll tell you m ne
What are your reasons ?

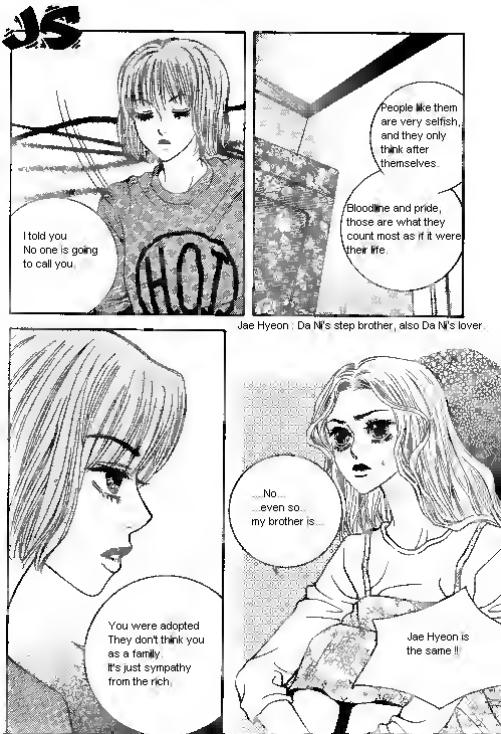
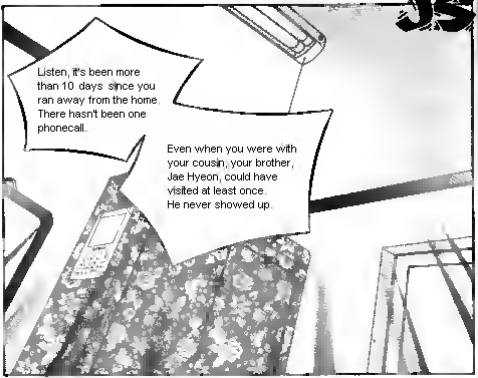
Yuri
The phone is not ringing



JS
I told you
No one is going
to call you.
People like them
are very selfish,
and they only
think after
themselves.
Bloodline and pride,
those are what they
count most as if it were
their life.
Jae Hyeon : Da Ni's step brother, also Da Ni's lover.
You were adopted
They don't think you
as a family.
It's just sympathy
from the rich.
...No...
...even so...
my brother is...
Jae Hyeon is
the same !!



Listen, it's been more than 10 days since you ran away from the home. There hasn't been one phonecall.
Even when you were with your cousin, your brother, Jae Hyeon, could have visited at least once. He never showed up.

JS
Break down

Da Ni hasn't been coming to school for four days now

I was worried. So I waited in front of her house. But she never came in or out
I am worried to death that she might be hurt badly.
God damn ...

Suk Ha was worried to death too I envy her. She s being loved by many others
I wanted to ask you about the girl Suk Ha What s her relationship with Da N ?
I know pretty much everything about Da N And I've never seen her around Da N before

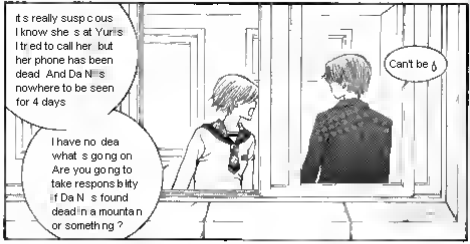
I told you I don't know. Whoever Yuri is, I don't know. What makes you think I'd know about every friend of Da Ni's ?
You acted as if you knew everything about Da Ni, and had been with her so closely !
I told you to forget about it. It's not something that will be solved just because you kick in
How do you know? Have you even tried to solve it ?
You are not doing anything and are just waiting for something to happen ! Don't talk as if you know everything !



It s really suspicious
I know she s at Yuri s
I tried to call her but
her phone has been
dead And Da Ni s
nowhere to be seen
for 4 days
I have no idea
what s going on
Are you going to
take responsibility
if Da N s found
dead in a mountain
or something ?
Can't be

I don't understand
Why are you so
obsessed with
Da N's trouble ?

Ah !!

She s here!
She s here!
Do whatever you want
Isn't she Da N Eun from 3rd class room?
Why s she n casual suit ?

To be continued ....

Whether you want patient or not, I don't care. This will be my last time here anyway
Huh...? Your last time here? Are you moving or something?
Oho... is that why you are in casual suit?
Moving? it looks like Hit & Run tactics to me
Going to transfer
Miss Jung Seon contest's getting close it's very spoiling
Yeah yeah it would have been fun to have a rival
That's right The fight between Suk In Jung and Da N Eun scenario was going steady also
This means I am the miss Jung Seon this year also?
It's no fun,sis. I want some thrill
I am not transferring. I am quitting.
Hmm..? What did you say?

JS
I am quitting the school
I am here to make

Don't you have better

your time ?

What are you quitting the school for ?!
You must have a reason, a reason !!
Whoa ?!
Why are you involving me in this matter ?!
Is it because of my sister?
Did my sister bully you ?! Is it because of her ?!
You were the one who kept picking on her since the day one !
I know you more than anyone else ! You should better know when to stop !
Just what the hell did you do to make her quit the school ?!!

childhood
Yuri was your target
Now it's me?
So, you really like me
sexually?

I am sorry, but I am not into such a disgusting hobby.
Even if you keep hitting on me, I won't play with you.
How about wak ng up and look up the reality? Why do you ins st to be a lesb an wth all the glares from others? Why do you l ve l ke that? How about stop act ng l ke a dreamer and f nd a man?
If you look deeply, there may be a man who might understand you and accept you.

Who the hell are you telling me what to do ?!

Besides I don't think you can feel enough female charm to rape me

Let me make this clear I cannot tell you anything about Da Ni because it is quite serious matter for my family it is not something you can face everyday
Da Ni came to the school today Do you have any idea why she came?

She was going to quit the school !!
What ?
Someone who ran away from home came to school to quit
Do you know what that means ?

Why does no one from her family care ? The problem has become pretty serious
I was feeling so stuffy by looking how the situation was going
I had to come here with these to make you talk !
Quitting the school ?
That's not...
So what are you going to do now? Are you going to help her?

Do you think you can get Da Ni back to how she is supposed to be?
She won't listen to me
H.O.T

Ahah, don't worry. It's not like I want to do it.
Anyway, what happened to Da Ni. If she doesn't come to school today, it will be 5 days. Is she really sick or something? Did something happen to her?

You know, 'Yong Sim' company that sells noodles, snacks, and other various food. He is a son of the president of that company.

Of course... the society we are in is all about money and background. Do you think it is easy to make a friend who is a rich girl like?
If I polish the friendship from now he will be very useful in my future
Even so It's strange You have never had any interest in guys
What if you really end up liking him?
Hey It's not time for guys and girls I am taking my chance that may never come again Besides aren't you a guy?

Well
it wouldn't be so
bad to marry such
a guy and become
a member of royal
family
No way!!!
If you marry someone
you don't love you
will only be unhappy
and pit ful!!!

You once said to me that the reason I like Yeong Eun was only to escape the reality
it was to get you off me and to run away
You..... I was sincere about you at times.
It's not like that. I really began to like Yeong Eun. That was why I had to leave you...
